Leading souls from health...to Him!

Sound health ministry creates confidence in SDA biblical teachings.

“If people see that we are intelligent with regard to health, they will be more ready to believe that we are sound in biblical doctrines.” CTBH 121

Health ministry is the entering wedge for the 3 angel’s message.

“Many, many...will advance step by step to receive the special truths for this time. Thus truth and righteousness meet together. 6T 379

Who are the workers?

“The work of God on earth can never be finished until the men and women comprising our church membership rally to the work and unite their efforts with those of ministers and church officers.” GW 352

From Wary to Willing

“Every church member should be engaged in some line of work for the Master...Every one should do his utmost to roll back the tide of disease and distress that is sweeping over our world... “Many would be willing to work if they were taught how to begin. They need to be instructed and encouraged.” MH 148-9

What will be the results?

“The special work for this time must be done in reaching the people through personal effort...it is this kind of labor that will be highly successful.” 2RH 114

Jesus Taught Hope:

“The Savior went from house to house, healing the sick, comforting the mourners, soothing the afflicted, speaking peace to the disconsolate...He took the little children in His arms and blessed them, and spoke words of hope and comfort to weary mothers. With unfailing tenderness and gentleness He met every form of human woe and affliction...“It was His meat and drink to bring hope and strength to all with whom He came in contact... God’s ministers are to learn Christ’s method of laboring.” AA 364-5
